## Dibrugarh University Student Charter

### Purpose of Charter

The student Charter is a statement of the University's aspirations and mutual expectations of staff and students, as they work together to achieve the University's Mission. It represents our shared commitment to the values of the university and to develop and maintain a stimulating, diverse and supportive environment that is conducive to learning.

The main purpose of the student charter is to set out our partnership in learning. It is because the Achievement of the University's mission is only possible through the respectful interactions of all members of the University community, fair student representation and active student participation in University life and community.

The student Charter applies to all students encompassing undergraduates, postgraduate and research of the University regardless of the learning mode and location of their studies. The charter encourages the commitment of all staff and students to their rights and responsibilities, and lays out the basis on which our partnership works. By undertaking the responsibilities within the Student Charter we can all contribute to and take pride in the ongoing development of a vibrant university community.
