Message from the **Vice Chancellor**

I am pleased to extend my warm greetings to everyone associated with the Centre for Management Studies, Dibrugarh University. As we approach the release of the upcoming Placement Brochure, it is a moment of pride and anticipation for our esteemed institution. The Centre for Management Studies has consistently demonstrated excellence in nurturing young minds, equipping them with the skills and knowledge required to excel in the dynamic world of management. This publication is a testament to the hard work, dedication, and achievements of our students, faculty and the entire administrative team.

In today's competitive environment, the significance of effective placement cannot be overstated. It is heartening to witness the efforts invested by the Centre for Management Studies in ensuring that our graduating students are not only academically proficient but also well-prepared for the challenges of the professional arena. This Placement Brochure serves as a showcase of the diverse talents and capabilities of our students, which reflects the comprehensive curriculum, innovative teaching methodologies, and the collaborative spirit that define our management programs. Employers seeking bright, dynamic, and resourceful individuals will find in these pages a pool of talent ready to contribute meaningfully to their organizations.

I offer my heartfelt congratulations to our graduating students on reaching this significant juncture in their academic journey. Their accomplishments and potential are the driving force behind the success of the Centre for Management Studies. I express my gratitude to all the members of our faculty and staff for their unwavering commitment to academic excellence and for instilling in our students the values that make them stand out in the professional realm.

I encourage the corporate community to explore the opportunities presented in this Placement Brochure and consider our talented graduates for positions that align with their skills and aspirations. May this publication serve as a bridge connecting our bright minds with promising career opportunities. I wish continued success of the Centre for Management Studies in its mission to shape future leaders and contribute to the corporate landscape.

With all of my best wishes and warm regards,

Prof. (Ms.) Jahnabi Gogoi, Ph.D.

Professor, Shri Shri Aniruddhadeva Chair
& Siu-ka-Pha Chair i/c, Department of History, and
Vice-Chancellor i/c

Message from the Chairperson's Desk

Dear all,

It is indeed a matter of great pleasure and pride that the Training & Placement Cell of the Centre for Management Studies, Dibrugarh University is publishing its annual Placement Brochure, 2024, incorporating the detailed profile of the graduating batches of MBA (FT), MTTM and BBA along with the relevant details about our Centre.

The Centre being at one corner of the country; we do sometimes feel a bit delinked with prospective employers as far as awareness about our presence is concerned, and I sincerely hope this Brochure will go a long way in bridging this gap. The Centre for Management Studies, Dibrugarh University has always inspired its students to see and look across all functional areas of work and varied work cultures and at the same time, we have constantly endeavoured to instill in them the ability to grow as the key assets of the organisation which they will be serving.

I take this opportunity to cordially invite all the prospective recruiters, across all sectors, to come and participate in the Placement Programmes and thereby provide our young and competently enabled future managers an opportunity to explore the corporate world and apply their knowledge, competencies and skills for the growth of organisations they will join.

With best wishes and warm regards,

Prof. Pratim Barua
Chairperson
Centre for Management Studies
Dibrugarh University

Message from the Central Training & Placement Officer

The global business scenario is becoming more uncertain, laden with intricate business complexities, inducing corporate organizations to adopt innovative business models for ensuring efficiency in their operations. Moreover, the occurrence of technological disruptions at regular intervals is a common phenomenon in every facet of life. The whole gamut of economic and business activities have undergone transformational changes in the recent times. The Centre for Management Studies (CMS), Dibrugarh University has recognized the need for shaping visionary business professionals who are willing to take risks and uncertain challenges in the rapidly changing business and economic environment. The changing paradigms have also made it mandatory for an academic institution to foster a new breed of professionals equipped with the right kind of knowledge, technical skills, ability to think out of the box and innovation. With its resourceful intellectual capital and academic pedagogy, the Centre for Management Studies has been relentless in its efforts of augmenting young managerial aspirants with business acumen and creative skills ensuring a holistic management education.

The nurturing of inquisitive, enterprising and curious managerial professionals is the hallmark at the Centre for Management Studies. The Training & Placement Cell at Dibrugarh University gives utmost importance to assist its students in getting suitable industrial exposure through summer internships and final placement opportunities in various corporate organizations after the successful completion of their course of studies. The University and the Centre also organizes various extracurricular activities such as Varsity Week (sports and cultural week), managerial fest "SANMILAN" and workshops etc. that enable students to be effective team leaders as well as team players.

Therefore, I have the pleasure to invite you to visit the Centre for Management Studies for conducting campus recruitment drives for harnessing young and enthusiastic management graduates for your esteemed company. The detailed placement brochure shall provide you a glimpse of the talent pool available at the Centre for Management Studies, Dibrugarh University. We will be extremely glad to receive your kind confirmation in this regard.

With best wishes.

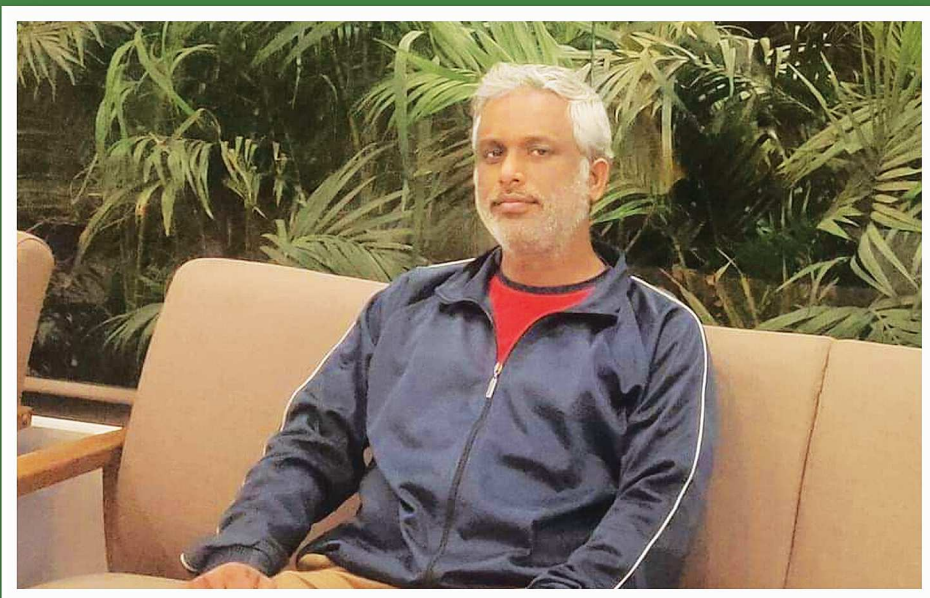

Sincerely yours,

Mr. Monuj Kumar Tamuli

Training & Placement Officer
Dibrugarh University

Message from the Centre's Faculty Placement In-charge

It is with pleasure that I am placing before you the 2024 edition of the Placement Brochure of Centre for Management Studies, Dibrugarh University (CMSDU). The placement brochure contains the details of the 2024 graduating batches of MBA (FT), MTTM and BBA. The brochure will help the recruiters to have an overview of the Centre in terms of the academic programmes being offered, the teachers and various other academic resources. The Centre since its inception has focussed on creating an ethical talent pool of managers. Our alumni are doing very well and we are sure that the passing out batches of 2024 will leave a trail of achievements too. I have been the Faculty Placement In-charge of the Training and Placement (T & P) Cell of CMSDU since 2018 and my commitment to the recruiters in giving them all the support in the recruitment process remains steadfast and we have a robust system in place to engage with the recruiters in a timely manner. I welcome all the recruiters to the Centre for the recruitment process and create a mutually beneficial relationship.

Dr. Himadri Barman
Faculty In-charge
Training & Placement Cell
Centre for Management Studies
Dibrugarh University

DIBRUGARH UNIVERSITY

AT A GLANCE

- Easternmost State University of India located in the district of Dibrugarh, Assam.
- Established in the year 1965.
- A teaching-cum-research-cum- affiliating University with residential facilities.
- The University has around 175 affiliated and permitted colleges and institutes.
- The University runs research programmes leading to M.Phil, Ph.D, D.Litt/D.Sc.

FACILITIES AT CMSDU

Computing Unit (CU)

The CMS Computer Laboratory, christened the Computing Unit (CU) has all its machines based on the Intel® Core™ 2 Duo class processors (2 GB RAM) with all necessary software required for smooth conduct of the curricula. The Unit has 30 clients along with one 2008 Windows Server. All machines are connected to the Internet. The entire CMS Block is wi-fi enabled with three access points.

Learning and Information Resources' Unit (LIRU)

The unit is meeting the needs of the students and faculties alike with its ever-increasing stock of books, journals and periodicals. The unit houses various inter-disciplinary titles from various other subjects.

Electronic resources are also available on demand. The Unit is fully computerized, with the in-house developed web-based software LIRU Manager (Version 3.5) working satisfactorily. The members can access their LIRU accounts through the CMSDU Manager application. It is feature heavy offering among others a comprehensive Search Facility, Re-issue of Books, Book Suggestions and Advanced Booking Facility.

Language Lab

The Centre has a state-of-the-art language lab with 25 computers and all required software. Special classes under the supervision of the teachers are arranged in the language lab for developing soft skills among the students.

ENGAGEMENTS AT CMSDU

Student Organs:

Prakriti

Prakriti is an eco-club with the punch line 'yes to green' and the vision 'clean and green planet'. The mission and activities of Prakriti are

- 1) To have a clean campus, clean surrounding and clean earth.
- 2) To give awareness to other people regarding clean and green environment.
- 3) Plantation Programmes.
- 4) Conducting various activities with the civic bodies to make the environment clean and green.

Learning Investors Club (LIC)

Learning Investors' Club (LIC) is an effort to initiate a change in the prevailing investment culture. It was formed in 2007 with the initiative of the MBA(FT)2006 Batch. It was started with an initiative on the part of the students of CMS to learn about Stock Market Investment. It has invested in the past in the stock market as a group and has made significant profits.

Neurons

Neurons started as a quiz club but now has been broadened into an innovation club.

Bright future Manager's Craftsmen Club (BFMC)

Bright future Manager's Craftsmen Club (BFMC) is an extracurricular activities club conducting various fun field events.

Events at CMS

SANMILAN- meeting of minds.

To showcase the abilities and foster a relationship between the academia and the corporate world the students of Centre for Management Studies, Dibrugarh University (CMSDU) have been successfully organising an intellectual convergence called SANMILAN...meeting of mind since 2004. It is an eagerly awaited convergence and an important component of the Dibrugarh University calendar attended by students of various colleges/ institutes and people from the corporate community.

RHAPSODY

Centre for Management Studies, Dibrugarh University (CMSDU) has introduced in annual seminar session named "Rhapsody... the enthusiastic mind" with an objective to highlight the role and need of IT in today's world.

Samannay- The Alumni Association

SAMANNAY - the Alumni association of Centre for Management Studies, Dibrugarh University has been formed to serve as a platform for activities, sharing of ideas, mutual help and networking among the alumnus of the Centre. It is a medium for the past and the present students of the Centre to thereby contribute towards the growth and development.

Consultancy at CMS

PARIVARTAN

The Centre for Management Studies has a consultancy cell called Parivartan, which is looked after by the faculty members of CMS. The cell aims to provide consultancy to different corporate houses pertaining to issues relating to different aspects of management. It also conducts various programs like MDP, FDP etc.

TRAINING AND PLACEMENT CELL

The Training and Placement activities are paramount to the Centre's performance and success. The Cell is consistently engaged in extending training and placement assistance to the final year students of various programmes at the Centre. The Cell has access to its own office space, computing facility, a well-furnished interview room and conference hall of the Central Training and Placement Office.

The Training and Placement Cell strives to develop strong network with corporate firms and external agencies for maximising opportunities for the students. It facilitates summer and winter internship, skill development training, resource person lectures and career counselling programmes. Continuous learning and enhancing professional competencies by way of organising personality development programs are undertaken by the Cell. Training and Placement activities are carried out following the guidelines laid out through a Standard Operating Procedure (SOP).

NAAC Rating 2023

Since 1965

The institution offers a plethora of opportunities for leadership development and fosters innovative thinking amongst students in a progressive teaching-learning environment. The Centre being located in a city well-known as the commercial hub further adds to the entrepreneurial potential.

Boasting of a diverse skill stack, our faculty are adept in business research, developing interesting and change-oriented programmes to attract the bright minds across the country.

Our talent pool comprises of early career students and students with work experience.

The goal is to nurture a varied global thinkers and business savvy candidates available all year round for jobs and internships.

At Dibrugarh University, we firmly believe the foundation of a thriving organization is built on the three pillars of Ethical Management, Corporate Governance and Value Addition. Our students learn and internalise this value system in the learning environment. The students are encouraged to work as a team in an interactive environment and initiate leadership roles. With the knowledge and skills of Management Studies, they are well-endowed to set forth in the corporate world.

You are, therefore, welcomed to visit our Centre and check our industry-ready students for suitable placement in your organization.

Dibrugarh at a Glance

Dibrugarh Town is the headquarters of the Dibrugarh district in the state of Assam in India. Well known as the Tea City of India

Mahatma Gandhi Park is situated at Khanikar, 10 kilometres South of Dibrugarh city centre, this newly developed park is on a 22 bigha plot of land and features a blend of modernity and tradition and is a major attraction for tourists of all ages for a recreation.

Bogibeel bridge is a combined road and rail bridge in the Dibrugarh district of the north eastern Indian state of Assam. The Bogibeel bridge, situated 17 kilometres (11 mi) downstream of Dibrugarh, spans the Brahmaputra river and connects the town of Dibrugarh in the south to Dhemaji to the river's north

Dibrugarh University Park was inaugurated on April 10, 2012 by Dr. Himanta Biswa Sharma, then Education Minister of Assam. It covers 38 bighas (approximately) of verdant landscape with simulated structures of the Rangghar, sculptures of a life-size elephant, a rhino, combative bulls, including an artificial waterfall at the top of a hill.

A replica of the **Lord Jagannath Temple**, Puri, Odisha, has come up in Dibrugarh near the Mahatma Gandhi Park at Khanikar. The height of this temple is 85 feet. This temple is a major centre for religious tourism in eastern Assam. As per the architectural structure, this temple is the 2nd after the original Jagannath Temple, Puri in India.

Radha Krishna Temple, situated in a sprawling campus near the Assam Medical College, features two life size idols of Lord Krishna and Goddess Radha. The temple is considered to be an architectural marvel and is entirely made of marble stone.

Dibrugarh University, the easternmost University in India, was established in 1965 consequent upon the provisions of the Dibrugarh University Act, 1965, enacted by the Assam Legislative Assembly. It is situated at Rajabheta, five kilometres to the South of Dibrugarh town and well connected by road, rails, air and waterways.

The **Tea City of India**, Dibrugarh in the Upper Assam area, boasts of the highest amount of tea production in India. Dibrugarh town is surrounded by tea gardens all around the city that dates back to the time of the Britishers in India. Dibrugarh welcomes tourists to make a tea tour of this wonderful place.

The **Brahmaputra** is a major river in the World and among the longest rivers in India. It carries the largest amount of water and silt among all river of India.
